

Material Safety Data Sheet

U.S. Department of Labor

Occupational Safety and Health Administration Form Approved OMB No. 1218-0072

Product name : SUMO Pro	otease 1				
Product number : SP-4010					
Formula : N/A					
Molecular weight : 26 kDa					
Brand : LifeSensor					
Company : LifeSenso					
271 Great Val					
Malvern PA, 1					
Telephone # : 610.644.88					
FAX : 610.644.86	516				
Emergency phone #: 610.644.8845					
Section I		1			
Manufacturer's name LifeSensors, Inc.		Emergency Telephone	Number 610.644.8	845	
Address (Number, Street, City, State and ZIP Code) 271 Great Valley		Telephone Number for	Information 610.644	.8845	
Parkway, Malvern PA, 19355					
		Date Prepared 06.09.	2011		
Section II—Hazardous Ingredients/I					
	n OSHA hazards				
Hazardous Components No known					
Hazardous Components No knowr					
IARC: No components of this produc	t present at level greater th	an or equal to 0.1% is ide	entified as probable,	possible or confirm	ed human
IARC: No components of this produc carcinogen by IARC			•		
IARC: No components of this produc			•		
IARC: No components of this produc carcinogen by IARC ACGIH: No components of this produc carcinogen by ACGIH	t present at level greater th	an or equal to 0.1% is ide	entified as probable,	possible or confirm	ed human
IARC: No components of this produc carcinogen by IARC ACGIH: No components of this produc carcinogen by ACGIH NTP: No components of this product p	t present at level greater th	an or equal to 0.1% is ide	entified as probable,	possible or confirm	ed human
IARC: No components of this produc carcinogen by IARC ACGIH: No components of this produc carcinogen by ACGIH	t present at level greater th	an or equal to 0.1% is ide	entified as probable,	possible or confirm	ed human
IARC: No components of this produc carcinogen by IARC ACGIH: No components of this produc carcinogen by ACGIH NTP: No components of this product p carcinogen by NTP	ct present at level greater th	an or equal to 0.1% is ide	entified as probable,	possible or confirm	ed human
IARC: No components of this produc carcinogen by IARC ACGIH: No components of this produc carcinogen by ACGIH NTP: No components of this product p carcinogen by NTP Section III—Physical/Chemical Char	t present at level greater the present at level greater that prese	an or equal to 0.1% is ide n or equal to 0.1% is iden	entified as probable, tified as probable, p	possible or confirm	ed human
IARC: No components of this produc carcinogen by IARC ACGIH: No components of this produc carcinogen by ACGIH NTP: No components of this product p carcinogen by NTP	ct present at level greater th	an or equal to 0.1% is ide	entified as probable, tified as probable, p	possible or confirm	ed human
IARC: No components of this produc carcinogen by IARC ACGIH: No components of this produc carcinogen by ACGIH NTP: No components of this product p carcinogen by NTP Section III—Physical/Chemical Char	t present at level greater the present at level greater that prese	an or equal to 0.1% is ide n or equal to 0.1% is iden	entified as probable, tified as probable, p	possible or confirm	ed human
IARC: No components of this produc carcinogen by IARC ACGIH: No components of this produc carcinogen by ACGIH NTP: No components of this product p carcinogen by NTP Section III—Physical/Chemical Char Boiling Point	t present at level greater th present at level greater than racteristics	an or equal to 0.1% is iden n or equal to 0.1% is iden Specific Gravity (H ₂ 0 =	entified as probable, tified as probable, p 1)	ossible or confirm	ed human
IARC: No components of this produc carcinogen by IARC ACGIH: No components of this produc carcinogen by ACGIH NTP: No components of this product p carcinogen by NTP Section III—Physical/Chemical Char Boiling Point Vapor Pressure (mm Hg) Vapor Density (AIR = 1)	t present at level greater that present at level greater that racteristics n/a n/a	an or equal to 0.1% is iden n or equal to 0.1% is iden Specific Gravity (H ₂ 0 = Melting Point	entified as probable, tified as probable, p 1)	n/a	ed human
IARC: No components of this product carcinogen by IARC ACGIH: No components of this product carcinogen by ACGIH NTP: No components of this product p carcinogen by NTP Section III—Physical/Chemical Chara Boiling Point Vapor Pressure (mm Hg) Vapor Density (AIR = 1) Solubility in Water: All component	t present at level greater that present at level greater that racteristics n/a n/a n/a ts are water soluble.	an or equal to 0.1% is iden n or equal to 0.1% is iden Specific Gravity (H ₂ 0 = Melting Point	entified as probable, tified as probable, p 1)	n/a	ed human
IARC: No components of this product carcinogen by IARC ACGIH: No components of this product carcinogen by ACGIH NTP: No components of this product p carcinogen by NTP Section III—Physical/Chemical Chain Boiling Point Vapor Pressure (mm Hg) Vapor Density (AIR = 1) Solubility in Water: All components	t present at level greater that present at level greater that racteristics n/a n/a n/a s are water soluble.	an or equal to 0.1% is iden n or equal to 0.1% is iden Specific Gravity (H ₂ 0 = Melting Point	entified as probable, tified as probable, p 1)	n/a	ed human
IARC: No components of this product carcinogen by IARC ACGIH: No components of this product carcinogen by ACGIH NTP: No components of this product pro	t present at level greater that present at level greater that racteristics n/a n/a n/a ts are water soluble.	an or equal to 0.1% is iden n or equal to 0.1% is iden Specific Gravity (H ₂ 0 = Melting Point Evaporation Rate (Buty	entified as probable, p tified as probable, p 1) /I Acetate = 1)	n/a n/a n/a	ed human
IARC: No components of this product carcinogen by IARC ACGIH: No components of this product carcinogen by ACGIH NTP: No components of this product p carcinogen by NTP Section III—Physical/Chemical Chain Boiling Point Vapor Pressure (mm Hg) Vapor Density (AIR = 1) Solubility in Water: All components	t present at level greater that present at level greater that racteristics n/a n/a n/a s are water soluble.	an or equal to 0.1% is iden n or equal to 0.1% is iden Specific Gravity (H ₂ 0 = Melting Point	entified as probable, tified as probable, p 1)	n/a	ed human
IARC: No components of this product carcinogen by IARC ACGIH: No components of this product carcinogen by ACGIH NTP: No components of this product pro	t present at level greater that present at level greater that racteristics n/a n/a n/a ts are water soluble.	an or equal to 0.1% is iden n or equal to 0.1% is iden Specific Gravity (H ₂ 0 = Melting Point Evaporation Rate (Buty	entified as probable, p tified as probable, p 1) /I Acetate = 1)	n/a n/a n/a	ed human
IARC: No components of this product carcinogen by IARC ACGIH: No components of this product carcinogen by ACGIH NTP: No components of this product	racteristics n/a n/a ts are water soluble. n/a n/a	an or equal to 0.1% is iden n or equal to 0.1% is iden Specific Gravity (H ₂ 0 = Melting Point Evaporation Rate (Buty	entified as probable, p tified as probable, p 1) /I Acetate = 1)	ossible or confirm ossible or confirme n/a n/a n/a	ed human
IARC: No components of this product carcinogen by IARC ACGIH: No components of this product carcinogen by ACGIH NTP: No components of this product pro	t present at level greater that present at level greater that n/a n/a ts are water soluble.	an or equal to 0.1% is iden n or equal to 0.1% is iden Specific Gravity (H ₂ 0 = Melting Point Evaporation Rate (Buty	entified as probable, p tified as probable, p 1) /I Acetate = 1)	ossible or confirm ossible or confirme n/a n/a n/a	ed human
IARC: No components of this product carcinogen by IARC ACGIH: No components of this product carcinogen by ACGIH NTP: No components of this product	t present at level greater that present at level greater that n/a n/a ts are water soluble.	an or equal to 0.1% is iden n or equal to 0.1% is iden Specific Gravity (H ₂ 0 = Melting Point Evaporation Rate (Buty	entified as probable, p tified as probable, p 1) /I Acetate = 1)	ossible or confirm ossible or confirme n/a n/a n/a	ed human

(Reproduce locally) 1985 OSHA 174 Sept.

Section V—Reactivity Data						
Stability	Unstable	20°C	Conditions to Avoid: Repeated freezing/thawing			
	Stable	-80°				
Incompatibility (Materials to Avoid	d) n/a					
Hazardous Decomposition or Byp	products Not data availa	ble				
Hazardous			Conditions to Avoid			
Polymerization	Will Not Occur		Not data available			
Section VI—Health Hazard	Data					
Health Hazards (Acute and Chron		cute toxicity				
Chronic exposure						
Inhalation: May be harmful if inhaled. May cause respiratory tract irritation						
Skin: No data available for to	oxicity					
Eyes: No data available for tox	cicity					
Ingestion: May be harmful if sw	vallowed.					
Carcinogenicity Not data availa	able					
Signs and Symptoms of Exposure	e Not data available					
Medical Conditions	Net dete eveileble					
Generally Aggravated by Exposu	Not data available					
Emergency and First Aid Procedu	Jres:					
If inhaled: Move person into fre						
Skin contact: Wash with soap a						
Eye contact: Flush eyes with w						
If swallowed: Rinse mouth with water						
Section VII—Precautions for	or Safe Handling and Us	e				
Steps to Be Taken in Case Material Is Released or Spilled: Wipe and rinse the surface with water.						
Waste Disposal Method: Observe all federal, state, and local environmental regulations						
Precautions to Be Taken in Hand	lling and Storing: General lab	oratory storage at r	ecommended temperature			
Other Precautions						
Section VII—Control Measu Contains no substances with occ		<u></u>				
Respiratory Protection is not req		, ,				
Protective Gloves: Yes	anou	Ev	e Protection: Safety glasses			
101001110 010103. 103			or recourse our graded			

Work/Hygienic Practices: General industrial hygiene practice
